Pricing: Your cost is \$13.00 per 6-pack. We suggest an asking price of \$18.00 per 6-pack. That results in \$5.00 profit per 6-pack to your organization. However, final sale price is up to you.

Determine what you'd like to be the Order Deadline. On the student/seller forms, write your organization's name on the first page, then fill in the "Order Deadline" and "Price per 6-pack" on the order form. Copy both student/seller forms for each individual. Help make this fundraiser a success by encouraging sellers to take their order forms to family and friends. Please do not allow them to sell door to door.

When fundraiser is complete, use the Final Order Form to tally your final order. Students/Sellers should keep their Order Forms for delivery. Bring/mail your Final Order Form and check to your local Cupcakes by Carousel shop or to Carousel Cakes (see address and contact info below). We will contact you once your order is ready for pick up.
